Protect Your Clients

During any IME, DME of NFE Exams:

- A trained professional will accompany your client
- Observe the examination and take detailed notes of the intake questions and answers, and block out of scope questions
- Document the type of tests the doctor conducts, the plaintiff's performance during those tests, the length of the examination, and any other relevant points during the exam.
- We also ensure that your client does not permit the doctor to perform any unauthorized tests such as X-rays or MRI's.
- We have IME advocates who are fluent in Spanish, Russian, and Creole, French, Arabic and Italian.
- The IME Legal Reps professional who attends the IME will also be available to

submit an affidavit in support of your opposition to defendants' motion for
argument and testify at trial.

Our Company

Provides the Following Services

- Take detailed notes of the intake questions asked by the IME physician and document the time the IME physician spent with your client
- Take HD video recordings of Workers' Compensation IMEs
- Prevent the IME physician from asking inappropriate questions or administering inappropriate tests
- Prepare a report describing exactly what took place during the examination, how long the examination lasted, and any errors or lapses made by the examining physician
- IME Legal Reps also act as translators, we are available in Spanish, Russian, French, and Arabic.

WE'LL BE THERE FOR YOU

Our trained professionals accompany your clients to their IME Exam, provide support and explain that the doctor is representing the adverse party, and is not there to provide treatment.

WE SPEAK YOUR LANGUAGE

Many non-English speaking claimants describe significant difficulty communicating with the IME doctors. IME Legal Reps also act as translators, we are available in Spanish, Russian, French, and Arabic.

A WATCHFUL EYE

IME Legal Reps observe carefully the scope and manner of the exam and take notes in order to refute any improper findings in the IME report. Our trained professionals will note how much time was spent examining your client versus how much time was spent reading their records.
